DOG MENU

CHICKEN, RICE & VEG

Quality chicken is excellent protein for your dog, helping their body repair and grow, whatever stage of life they are at.

FISH, PASTA & VEG

Fish is highly digestible and often high in Omega Oils, an important nutritional component for all ages of pets.

MIX & MATCH

You choose the meat your pet likes, match it with either rice or pasta and we will do the rest. Choose from Chicken, Beef or White Fish.

We only use the best ingredients and will make sure that the dish your pet gets is the one that will have them drooling!

All of our dishes are available in a size to suit your dog. Choose from small, medium or large portion.

Small (*under 10kg*) - £2

Medium (*10kg-20kg*) - £2.50

Large (*over 20kg*) - £3
